

DISCOUNT AND OPTION TO EXTEND CLUBS PROGRAM UNTIL 6 PM

Again, in an effort to accommodate the working parent and to provide flexibility to the program, we are offering an extension of the regular 4:45 pick up time. It would be available for 1, 2, 3, 4, or all 5 days. I, Darryl LaVare, CWS parent, your clubs administrator, former nursery school teacher, babysitter, and graduate of The Rhode Island School of Design, will pick up the students from the club leaders and keep them until six. We will do art projects, various activities, and play in the yard and indoors.

The cost is an additional \$106.25 per day for the 17 week session. In order to run this addition, we will need 8 students for that day. If more than 15 students enroll for any given day, someone else will be hired.

For example: A child could take 5 different clubs Monday through Friday and have a 6pm pick up for the cost of \$1,345 for the 17 week session. (This price includes the 20% discount). This is less than The 14th St. Y, which is \$2,075 for non-members.

Or: A child could do only one club per week but get picked up at 6pm instead of the 4:45 time when the club ends. The cost for that one club and then the extended day option would be \$336.25 for the 17 week session.
